**NOTICE OF INTENT TO CONSIDER AN ADDENDUM  
TO AN ENVIRONMENTAL IMPACT REPORT**

An Addendum to a previously certified Environmental Impact Report (EIR) was prepared by the California State Lands Commission (CSLC), as lead agency under the California Environmental Quality Act (CEQA) (Pub. Resources Code, § 21000 et seq.) in order to address abandoning additional legacy wells at Summerland Beach. The Addendum is in compliance with the requirements of CEQA and the State CEQA Guidelines (Cal. Code Regs., tit. 14, § 15000 et seq.).

**Project Title:** Becker and Legacy Wells Abandonment and Remediation Project

**Project Location:** Summerland Beach below Lookout Park in Summerland, Santa Barbara County

**Project Description:** The original EIR covered the abandonment of Becker well below the bluff at Lookout Park in Summerland, Santa Barbara County. The Commission is now proposing other methodologies to abandon several other legacy wells at Summerland Beach.

The EIR certified by the Commission on August 17, 2017, and the Addendum can be downloaded, in PDF format, at [www.slc.ca.gov](http://www.slc.ca.gov) (click on the Information and CEQA links). The Addendum and the proposed project will be considered at the February 28, 2020, Commission meeting of the CSLC, unless otherwise stated on the CSLC's website (Cal. Code Regs., tit. 14, § 15164, subd. (d)). The specific time and location will be posted on the CSLC's website at [www.slc.ca.gov](http://www.slc.ca.gov) when the meeting information becomes known.
