3. EXPENSES

- C** In October of 2018, the Orange County Board of Supervisors approved a public private partnership with Dana Point Harbor Partners which will allow for a full revitalization of the Harbor. This partnership will ultimately result in a new commercial core with over 110,000 square feet of rentable space; a fully refurbished marina and dry boat storage building; and, two hotels. While construction is not yet underway, this action furthers the County's commitment to a fully restored Harbor.

- D** OC Dana Point Harbor provides funds to the OC Sheriff's Department Harbor Patrol for law enforcement services within and around Dana Point Harbor and its trust lands. Fund 108 also contributed towards the Regional Harbor Monitoring Program administered by the San Diego Port District.
