STAFF ANALYSIS AND RECOMMENDATION:

AUTHORITY:

Public Resources Code sections 6005, 6216, 6301, 6501.1, 6503, and 6503.5;
California Code of Regulations, title 2, sections 2000 and 2003.

PUBLIC TRUST AND STATE'S BEST INTERESTS:

On June 23, 2011, the Commission authorized a General Lease - Recreational Use for two existing mooring buoys to Randall Pond, Trustee and Cynthia M.G. Pond, Trustee of the Randall and Cynthia Pond Revocable Living Trust dated August 6, 1997 ([Item C15, June 23, 2011](#)). The lease expires on June 22, 2021. The applicants transferred their ownership to Randall E. Pond and Cynthia M. G. Pond, as Trustees of the Cynthia M. G. Pond Personal Residence Trust U/T/A 12/13/08; and Randall E. Pond and Cynthia M.G. Pond, as Trustees of the Randall E. Pond Personal Residence Trust U/T/A 12/13/08. The Applicant is applying for a General Lease – Recreational Use for the continued use and maintenance of two mooring buoys. The Applicant's moorings are registered with TRPA (#10153, dated May 15, 2019).

The Applicant owns the upland property adjoining the lease premises. The subject facilities are privately owned and maintained and facilitate recreational boating. Recreational boating is a water-dependent use that is generally consistent with the common law Public Trust Doctrine. The California Legislature has identified private recreational boating facilities as an authorized use of Public Trust land (Pub. Resources Code, § 6503.5).

The buoys are located directly lakeward of the upland property and occupy a relatively small area of the lake. The proposed lease does not alienate the State's fee simple interest or permanently impair public rights. The lease is limited to a 10-year term, does not grant the lessee exclusive rights to the lease premises, and reserves an easement to the public for Public Trust-consistent uses. Upon termination of the lease, the lessee may be required to remove all improvements from State land and restore the lease premises to their original condition.

The proposed lease requires the lessee to insure the lease premises and indemnify the State for any liability incurred as a result of the lessee's activities thereon. The lease also requires the payment of annual rent to compensate the people of the State for the occupation of the public land involved.

For all the reasons above, staff believes the issuance of this lease will not substantially interfere with Public Trust needs at this location, at this time, and for the

foreseeable term of the proposed lease; is consistent with the Public Trust Doctrine; and is in the best interests of the State.

OTHER PERTINENT INFORMATION:

1. Approval or denial of the application is a discretionary action by the Commission. Each time the Commission approves or rejects a use of sovereign land, it exercises legislatively delegated authority and responsibility as trustee of the State's Public Trust lands as authorized by law. If the Commission denies the application, the Applicant (as prior lessee) may be required to remove the existing two mooring buoys and restore the premises to their original condition. Upon expiration or prior termination of the lease, the lessee also has no right to a new lease or to renewal of any previous lease.
2. This action is consistent with the "Meeting Evolving Public Trust Needs" Strategic Focus Area of the Commission's 2021-2025 Strategic Plan.
3. On October 24, 2018, the TRPA Governing Board certified a Final Environmental Impact Statement and adopted Lake Tahoe Shorezone Ordinance Amendments.
4. Staff recommends that the Commission find that this activity is exempt from the requirements of the California Environmental Quality Act (CEQA) as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; California Code of Regulations, title 2, section 2905, subdivision (a)(2).

Authority: Public Resources Code section 21084 and California Code of Regulations, title 14, section 15300 and California Code of Regulations, title 2, section 2905.

PUBLIC TRUST AND STATE’S BEST INTERESTS:

Find that the proposed lease does not substantially interfere with Public Trust needs and values at this location, at this time, and for the foreseeable term of the lease, is consistent with the common law Public Trust Doctrine, and is in the best interests of the state.

Authorize issuance of a General Lease – Recreational Use to the Applicant beginning June 23, 2021, for a term of 10 years, for the continued use and maintenance of two existing mooring buoys, as described in Exhibit A and shown on Exhibit B (for reference purposes only) attached and by this reference made a part hereof; annual rent in the amount of \$754, with an annual Consumer Price Index adjustment; and liability insurance in an amount no less than \$1,000,000 per occurrence.
