REVISION OF RENT

LESSEE:

Southern California Edison Company
Attn: Corporate Real Estate
1851 W. Valencia Blvd., Bldg. F
Fullerton, California 92833

AREA, LAND TYPE, AND LOCATION:

17.13 acres, more or less, of school lands five miles west of Yermo, San Bernardino County.

AUTHORIZED USE:

Continued use and maintenance of existing electrical transmission lines.

LEASE TERM:

49 years, beginning December 14, 1959.

CONSIDERATION:

This lease provides that Lessor may modify the rent periodically during the lease term. Pursuant to this provision, staff has conducted a review of the rent under this lease, and recommends that the rent be revised from \$610 per year to \$663 per year, effective December 14, 1999.

The recommended adjustment of rent is based on adjustment of the prior rent by application of the Consumer Price Index (CPI). Application of the CPI to adjust rents at this time is an interim measure necessitated by budget constraints and resultant losses in staff, and does not obligate the Commission to use the CPI to adjust rents other than as specifically set forth herein.
