an additional six buoys and two swimmer safety lines. Two of the seven buoys are marker buoys located 150 feet seaward of the swim area to warn approaching watercraft of the swim area. Three of the remaining buoys have attached swimmer safety lines. The additional swim lines were needed as a safety measure given the length of the beach and swim distance to a single, central line. The buoys are installed on an annual basis from May 1 to October 1.

California Coastal Commission staff determined that the annual placement of the seven buoys and three swimmer safety lines does not require a coastal development permit.

3. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; Title 2, California Code of Regulations, section 2905 (a)(2).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

4. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
