On January 11, 1977, Hadlai A. Hull, Acting Secretary of the Army, addressed a letter to Governor Brown requesting that the State of California accept retrocession of exclusive jurisdiction of 423.796 acres, more or less, of land within Oakland Army Base. The request was made pursuant to authority granted the Secretary of the Army under Title 10, United States Code, Section 2683.

On March 31, 1977, Calendar Item No. 31, the State Lands Commission, authorized a public hearing for the purpose of determining whether it was in the best interest of the State to accept retrocession of exclusive jurisdiction from the United States over the lands described in the letter of January 11, 1977.

The hearing was scheduled for May 5, 1978 at 10:00 a.m. at 1807 - 13th Street, Sacramento, California. Notice thereof was published in the Oakland Tribune, and notice of said hearing was personally served on the Clerk of the Board of Supervisors of Alameda County. Affidavits of publication and service are on file in the records of the Commission.

The hearing was held as noticed. No comments regarding the retrocession were received at the hearing. The Port of Oakland submitted favorable comments by letter. The Oakland City police were contacted and have no comments on the proposed action.

The retrocession would be in the best interest of the State in connection with the administration of local police power over the area.
