CESSION OF CONCURRENT CRIMINAL JURISDICTION
PURSUANT TO CALIFORNIA GOVERNMENT CODE SECTION 126
AT FEDERAL PRISON CAMP, BORON, SAN BERNARDINO COUNTY;
FEDERAL CORRECTIONAL CENTER, TAFT, KERN COUNTY;
METROPOLITAN DETENTION CENTER, LOS ANGELES, LOS ANGELES COUNTY

Pursuant to Government Code Section 126 the State Lands Commission is authorized on behalf of the State of California to cede concurrent criminal jurisdiction to the United States upon finding:

- a. the land is held for the erection of forts, arsenals and other needful buildings, or other public purpose within the purview of Clause 17 of Section 8 of Article 1 of the United States Constitution;
- b. the cession is in compliance with the laws of the United States;
- c. the United States has in writing requested such cession;
- d. the State reserves jurisdiction over the land for purposes of water acquisition and management; and
- e. the United States has agreed to compensate the State for costs incurred in processing the cession.

CALENDAR PAGE 259
MINUTE PAGE

The United States currently has proprietary legislative jurisdiction over the Federal Prison Camp, Boron, San Bernardino County; the Federal Correctional Center, Taft, Kern County; and the Metropolitan Detention Center, Los Angeles, Los Angeles County. By letter, the United States has requested that the State of California cede concurrent criminal legislative jurisdiction over these facilities for a period of five years.

On July 6, 1995, and on December 7, 1995, the State Lands Commission authorized public hearings for the purpose of determining whether it is in the best interest of the State to make the requested cessions. Notice of the hearings was published as required by Section 126 and served upon the Clerk of the Board of Supervisors for each of the affected counties. Affidavits of the publication and service are found in the Commission's files.

Hearings were held on December 18, 1995, and on January 16, 1996, in the Commission's offices in Sacramento, California. There were no personal appearances by any members of the public. The United States appeared by submitting written comments and by telephone. The comments focused on the ability of the Department of Justice to conduct federal investigations and prosecutions of criminal offenses occurring at these facilities. Letters of support for the cessions from local law enforcement agencies have been submitted by the Bureau of Prisons and are in the Commission's files.

The Commission staff believe that the cessions of concurrent criminal jurisdiction are in the best interest of the State of California in connection with the exercise of criminal jurisdiction over these facilities.
