Pursuant to Government Code Section 126 the State Lands Commission is authorized on behalf of the State of California to cede concurrent criminal jurisdiction to the United States upon finding:

- a. the land is held for the erection of forts, arsenals and other needful buildings, or other public purpose within the purview of Clause 17 of Section 8 of Article 1 of the United States Constitution;
- b. the cession is in compliance with the laws of the United States;
- c. the United States has in writing requested such cession; and

Presently, the United States has concurrent criminal legislative jurisdiction over the Federal Prison Camp, Boron, CA. The cession of jurisdiction was made in October, 1996 for a period of five years. By letter dated July 9, 2001 the United States has requested that the State of California renew its cession of concurrent criminal legislative jurisdiction over this facility for another five years. The facility is currently deactivated but "Since the land may be needed for correctional use by the Bureau on short notice, renewal of concurrent criminal jurisdiction is necessary to ensure the applicability of concurrent jurisdiction in the event of reactivation." The United States believes that "Concurrent criminal jurisdiction is urgently needed to allow the United States to conduct federal investigations and prosecutions of certain criminal offenses that may occur on the land. Particularly in the event of reactivation of a penal facility at this site, we believe it is mutually desirable, and in the interests of sound administration of federal

penal institutions, that the United States have concurrent criminal jurisdiction with the State of California as to this site."

A noticed public hearing was held on August 13, 2001. Notice of the hearing was published as required by Section 126 and served upon the Clerk of the Board of Supervisors for San Bernardino County. Affidavits of the publication and service are found in the Commission's files. No comments in opposition to the cession were received.

The Commission staff believe that the cession of concurrent criminal jurisdiction is in the best interest of the State of California in connection with the exercise of criminal jurisdiction over this facility.
