**CESSION OF CONCURRENT CRIMINAL JURISDICTION
PURSUANT TO CALIFORNIA GOVERNMENT CODE SECTION 126
AT UNITED STATES PENITENTIARY, ATWATER, MERCED COUNTY**

Pursuant to Government Code Section 126 the State Lands Commission is authorized on behalf of the State of California to cede concurrent criminal jurisdiction to the United States upon finding:

- a. the land is held for the erection of forts, arsenals and other needful buildings, or other public purpose within the purview of Clause 17 of Section 8 of Article 1 of the United States Constitution;
- b. the cession is in compliance with the laws of the United States;
- c. the United States has in writing requested such cession; and
- d. the State reserves jurisdiction over the land for purposes of water acquisition and management.
- e. the United States has agreed to compensate the State for costs incurred in processing the cession.

Presently, the United States has proprietorial legislative jurisdiction over the United States Penitentiary, Atwater, California. By letter dated July 26, 2001 the United States has requested that the State of California cede concurrent criminal legislative jurisdiction over these facilities for five years. The United States believes that "Concurrent criminal jurisdiction is urgently needed to allow the United States to conduct federal investigations and prosecutions of certain criminal offenses that may occur on the land. In particular, we believe it is mutually desirable, and in the interests of sound administration of federal penal institutions, that the United States have concurrent criminal jurisdiction with the State of California as to this site."

CALENDAR ITEM NO. C71 CONT'D)

A noticed public hearing was held on August 24, 2001. Notice of the hearing was published as required by Section 126 and served upon the Clerk of the Board of Supervisors for Merced County. Affidavits of the publication and service are found in the Commission's files. No comments in opposition to the cession were received.

The Commission staff believe that the cession of concurrent criminal jurisdiction is in the best interest of the State of California in connection with the exercise of criminal jurisdiction over these facilities.
