**RESOLUTION OF CESSION OF
CONCURRENT CRIMINAL LEGISLATIVE JURISDICTION**
(CALIFORNIA GOVERNMENT CODE SECTION 126)

Pursuant to Government Code Section 126 the State Lands Commission is authorized on behalf of the State of California to cede concurrent criminal legislative jurisdiction to the United States. Jurisdiction ceded continues only so long as the land continues to belong to the United States and is held by it for the purpose for which jurisdiction is ceded in accordance and in compliance with each and all of the limitations, conditions, and reservations prescribed in Section 126 or for five years, whichever period is less.

At its publicly held meeting on October 20, 2005, the State Lands Commission considered a request of the United States Department of the Interior, National Park Service for a cession of concurrent criminal legislative jurisdiction over lands within Pinnacles National Monument, Monterey and San Benito Counties. After determining that the requirements of Government Code Section 126 had been met, the State Lands Commission ceded concurrent criminal legislative jurisdiction to the United States over those lands described in its Agenda Item C37 a copy of which is attached hereto.

CESSION OF CONCURRENT CRIMINAL JURISDICTION PURSUANT TO GOVERNMENT CODE SECTION 126 AT PINNACLES NATIONAL MONUMENT, MONTEREY AND SAN BENITO COUNTIES

APPLICANT:

U. S. National Park Service
1111 Jackson St., Suite 700
Oakland, CA 94607

BACKGROUND:

Pursuant to Government Code Section 126 the State Lands Commission is authorized on behalf of the State of California to cede concurrent criminal jurisdiction to the United States upon finding:

- a. the land is held for the erection of forts, arsenals and other needful buildings, or other public purpose within the purview of Clause 17 of Section 8 of Article 1 of the United States Constitution;
- b. the cession is in compliance with the laws of the United States;
- c. the United States has in writing requested such cession; and
- d. the State reserves jurisdiction over the land for purposes of water acquisition and management.
- e. the United States has agreed to compensate the State for costs incurred in processing the cession.

CALENDAR ITEM NO. **C37** (CONT'D)

Presently, the United States presently has concurrent criminal legislative jurisdiction over Pinnacles National Monument in Monterey and San Benito Counties. The cession of jurisdiction over this facility was the subject of Commission action on September 19, 2000 and was effective on various dates for a five year period beginning in November and December 2000.

By letter dated June 23, 2005 the United States acting through the National Park Service has requested that the State of California renew its cessions of concurrent criminal legislative jurisdiction over this facility for another five years.

The United States believes that concurrent criminal jurisdiction is needed to allow the United States to conduct federal investigations and prosecutions of certain criminal offenses that may occur on its lands. A noticed public hearing was held on August 3, 2005 and a recommendation was made to the Commission that the cession be granted. The Commission granted the requested cession at its meeting on August 8, 2005.

Since the Commission's meeting on August 8, 2005, it has come to the attention of staff that there was a defect in the notification process as required by the Government Code. Because of this defect, staff has conducted another public hearing and ensured that the notification process was done properly. Notice of the hearing was published as required by Section 126 and served upon the Clerk of the Board of Supervisors for Monterey and San Benito Counties. Affidavits of the publication and service are found in the Commission's files. No comments in opposition to the proposed cession were received.

The Commission staff believes that the cession of concurrent criminal jurisdiction is in the best interest of the State of California in connection with the exercise of criminal jurisdiction over this National Park facility.
