**RESOLUTION OF CESSION OF
CONCURRENT CRIMINAL LEGISLATIVE JURISDICTION**
(CALIFORNIA GOVERNMENT CODE SECTION 126)

Pursuant to Government Code Section 126 the State Lands Commission is authorized on behalf of the State of California to cede concurrent criminal legislative jurisdiction to the United States. Jurisdiction ceded continues only so long as the land continues to belong to the United States and is held by it for the purpose for which jurisdiction is ceded in accordance and in compliance with each and all of the limitations, conditions, and reservations prescribed in Section 126 or for five years, whichever period is less.

At its publicly held meeting on August 8, 2005, the State Lands Commission considered a request of the United States Department of the Interior, National Park Service for a cession of concurrent criminal legislative jurisdiction over lands within Lava Beds National Monument, Siskiyou and Modoc Counties, Whiskey Town National Recreation Area, Shasta County, Point Reyes National Seashore, Marin County, Redwood National Park, Del Norte and Humboldt Counties, and Devil's Postpile National Monument, Madera County. After determining that the requirements of Government Code Section 126 had been met, the State Lands Commission ceded concurrent criminal legislative jurisdiction to the United States over those lands described in its Agenda Item C54 a copy of which is attached hereto.

Pursuant to Government Code Section 126 the State Lands Commission is authorized on behalf of the State of California to cede concurrent criminal jurisdiction to the United States upon finding:

- a. the land is held for the erection of forts, arsenals and other needful buildings, or other public purpose within the purview of Clause 17 of Section 8 of Article 1 of the United States Constitution;

and Modoc Counties, Pinnacles National Monument, Monterey and San Benito Counties, Devils Postpile, Madera County and Pt. Reyes National Seashore, Marin County. The cessions of jurisdiction over these areas were the subject of Commission action on September 19, 2000 and they were effective on various dates for five year periods in November and December 2000.

By letter dated July 23, 2005 the United States acting through the National Park Service has requested that the State of California renew its cessions of concurrent criminal legislative jurisdiction over these areas for another five years. The United States believes that concurrent criminal jurisdiction is needed to allow the United States to conduct federal investigations and prosecutions of certain criminal offenses that may occur on its lands.

A noticed public hearing for all of the areas was held on August 3, 2005. Notice of the hearing was published as required by Section 126 and served upon the Clerk of the Board of Supervisors for each of the counties in which these lands lie. Affidavits of the publication and service are found in the Commission's files. No comments in opposition to the proposed cessions were received.

The Commission staff believes that the cessions of concurrent criminal jurisdiction are in the best interest of the State of California in connection with the exercise of criminal jurisdiction over these National Park lands.
