**Cession of Concurrent Criminal Jurisdiction to the United States Bureau of
Prisons Over Lands Comprising
The Federal Correctional Institution, Mendota, Fresno County,
The Correctional Institution, Taft, Kern County,
The Metropolitan Detention Center, Los Angeles, Los Angeles County,
The United States Penitentiary, Atwater, Merced County,
The Federal Prison Camp, Boron, San Bernardino County,**

Pursuant to Government Code Section 126 the State Lands Commission is authorized on behalf of the State of California to cede concurrent criminal jurisdiction for not more than five years to the United States upon finding:

- a. The land is held for the erection of forts, magazines, arsenals, dockyards and other needful buildings, or other public purpose within the purview of Clause 17 of Section 8 of Article 1 of the United States Constitution or for the establishment, consolidation, and extension of national forests under the Act of Congress approved March 1, 1911 known as the Weeks Act, or for any other federal purpose;
- b. The cession is in compliance with the laws of the United States;
- c. The United States has in writing requested such cession; and
- d. The State reserves jurisdiction over the land for purposes of water acquisition and management;
- e. The Legislature and the State except and reserve to the State all deposits of minerals, including oil and gas, in the land, and the right to prospect for, mine, and remove such deposits from the land;
- f. The United States has agreed to compensate the State for costs incurred in processing the cession.

Presently, the United States has concurrent criminal jurisdiction over lands comprising the Federal Correctional Institution, Mendota, Fresno County; the Correctional Institution, Taft, Kern County; the Metropolitan Detention Center, Los Angeles, Los Angeles County; the United States Penitentiary, Atwater, Merced County; and the Federal Prison Camp, Boron, San Bernardino County. The cessions over these areas were the subject of Commission action on April 17, 2006 and are effective for five

CALENDAR ITEM NO. **C55** (CONT'D)

year periods ending in September and October 2011.

Pursuant to the cessions of concurrent criminal jurisdiction, the United States and the State of California share the same degree of criminal legislative authority including the power to arrest and prosecute crimes within the federal properties mentioned in this agenda item. The cession of concurrent criminal jurisdiction does not affect civil jurisdiction within these federal properties and is held by the State.

By letter dated February 10, 2011, the United States has requested that the State of California cede concurrent criminal legislative jurisdiction over all of these facilities for another five years. The United States believes the cessions are in the best interests of both governments stating, "As you know, concurrent criminal jurisdiction allows the United States to conduct federal investigations and prosecutions of certain criminal offenses that may occur on the lands comprising each of the above sites. We believe it is mutually desirable, and in the interest of sound administration, that the United States continue to have concurrent criminal jurisdiction with the State of California over these sites." City and County law enforcement agencies having jurisdiction where these facilities are located have sent the Commission letters supporting the United States obtaining jurisdiction.

A noticed public hearing was held on March 17, 2011. Notice of the hearing was published as required by Section 126 and served upon the Clerk of the Board of Supervisors for the various counties and upon the city clerk for the City of Los Angeles. Affidavits of the publication and service are found in the Commission's files. No comments in opposition to the cession were received.

The Commission staff believes that the cession of concurrent criminal jurisdiction over these five facilities is in the best interest of the State of California in connection with the exercise of criminal jurisdiction over them.

RECOMMENDED ACTION:

It is recommended that the Commission:

1. Find that the activity is exempt from the requirements of CEQA pursuant to 14 Cal. Code Regs. 15061 because the activity is not a project as defined by Public Resources Code Section 21065 and 14 Cal. Code Regs. 15378.
2. Determine that the public hearing held on March 17, 2011 complied with Government Code Section 126 and Title 2 California Code of Regulations Sections 2600 et seq. dealing with cession of concurrent criminal jurisdiction and that the following requirements have been satisfied:
 - A. The United States has, by letter dated February 10, 2011, requested in writing that the State of California cede concurrent criminal jurisdiction in accordance with California Government Code section 126 over lands comprising the Federal Correctional Institution, Mendota, Fresno County; the Correctional Institution, Taft, Kern County; the Metropolitan Detention Center, Los Angeles, Los Angeles County; the United States Penitentiary, Atwater, Merced County; and the Federal Prison Camp, Boron, San Bernardino County as more particularly described in Exhibits "A" – "E" attached and by reference made a part hereof, said lands being within the State of California.
 - B. The lands are held by the United States for the erection of forts, magazines, arsenals, dockyards and other needful buildings or other public purpose within the purview of Clause 17 of Section 8 of Article 1 of the Constitution of the United States, or for the establishment, consolidation, and extension of national forests under the Act of Congress approved March 1, 1911 known as the Weeks Act, or for any other federal purpose in that they are used by the United States Bureau of Prisons for the operation of federal prisons.
 - C. The lands were acquired by the United States by purchase or condemnation or were withdrawn from the public domain.
 - D. Jurisdiction ceded herein shall continue for the lesser of five years or so long as the United States owns the lands.
 - E. In ceding concurrent criminal jurisdiction, the Legislature and the State reserve jurisdiction over the land, water and use of water with full power to

CALENDAR ITEM NO. **C55** (CONT'D)

control and regulate the acquisition, use, control and distribution of water with respect to the land affected by such cession.

- F. In ceding concurrent criminal jurisdiction, the Legislature and the State except and reserve to the State all deposits of minerals, including oil and gas, in the land, and the right to prospect for, mine, and remove such deposits from the land.
 - G. The cession is pursuant to and in compliance with the laws of the United States and the United States has agreed to accept the cession subject to the conditions referenced in Government Code Section 126.
 - H. The United States has agreed to compensate the State for its costs incurred in processing the request for the cession.
- 3. Determine that a cession of concurrent criminal jurisdiction over the lands described in Exhibits "A" – "E" attached hereto and by reference made a part hereof is in the best interests of the State of California because the United States will then have the authority to conduct federal investigations and prosecutions of criminal offenses at these facilities and thereby assist local law enforcement with their duties.
 - 4. Cede concurrent criminal jurisdiction to the United States over the Federal Correctional Institution, Mendota, Fresno County; the Correctional Institution, Taft, Kern County; the Metropolitan Detention Center, Los Angeles, Los Angeles County; the United States Penitentiary, Atwater, Merced County, and the Federal Prison Camp, Boron, San Bernardino County for the lesser of five years or so long as the United States owns the lands; said cessions to be effective upon receipt by the Commission of a letter of acceptance of the cessions from the United States as required by 40 U.S.C. 3112 and recordation of the certificates of cession of concurrent criminal jurisdiction in the official records of the counties where the affected lands are located.
 - 5. Authorize the Commission's Executive Officer to issue a Certificate of Cession of Concurrent Criminal Jurisdiction for each of the five properties and have it recorded in the official records for Fresno, Kern, Los Angeles, Merced and San Bernardino Counties.
