**RESOLUTION OF CESSION OF CONCURRENT CRIMINAL LEGISLATIVE JURISDICTION**

California Government Code Section 126

**WHEREAS** the United States acting by and through the Secretary of the Army has requested that the State of California cede concurrent criminal legislative jurisdiction to the United States over lands comprising the National Training Center and Fort Irwin, San Bernardino County, California ; and

**WHEREAS** the California State Lands Commission, pursuant to California Government Code Section 126, has been authorized by the California State Legislature to cede such jurisdiction for the lesser of five years or so long as the United States owns the lands; and

**WHEREAS** the United States, acting by and through the Secretary of the Army and pursuant to Section 3112 of Title 40 of the United States Code, by letter dated February 13, 2012 has agreed to accept such a cession of concurrent criminal legislative jurisdiction; and

**NOW, THEREFORE**, I, Curtis L. Fossum, Executive Officer of the California State Lands Commission, hereby certify that the Commissioners for the California State Lands Commission met on March 29, 2012 and ceded concurrent criminal legislative jurisdiction to the United States over those lands comprising the National Training Center and Fort Irwin, San Bernardino County, California for the lesser of 5 years or so long as the United States owns those lands. A copy of the Commission's Agenda Item No. C105 describing the terms and conditions of the cession is attached hereto as Exhibit A.

### CONSIDER CESSION OF CONCURRENT CRIMINAL JURISDICTION PURSUANT TO CALIFORNIA GOVERNMENT CODE SECTION 126 AT THE NATIONAL TRAINING CENTER AND FORT IRWIN, SAN BERNARDINO COUNTY

#### PARTY:

United States Department of the Army

#### AREA, LAND, TYPE, AND LOCATION:

National Training Center and Fort Irwin, San Bernardino County

#### PROPOSED ACTION:

Pursuant to Government Code section 126, the California State Lands Commission (Commission) is authorized on behalf of the State of California to cede concurrent criminal legislative jurisdiction to the United States upon finding:

- a. the land is held for the erection of forts, arsenals, and other needful buildings, or other public purpose within the purview of Clause 17 of Section 8 of Article 1 of the United States Constitution;
- b. the cession is in compliance with the laws of the United States;
- c. the United States has in writing requested such cession;
- d. the State reserves jurisdiction over the land, water, and use of water with full power to control and regulate the acquisition, use, control, and distribution of water with respect to the land affected by the cession;
- e. the State reserves to itself all deposits of minerals, including oil and gas, in the land, and to the State, or persons authorized by the State, the right to prospect, mine, and remove the deposits from the land; and
- f. the United States has agreed to compensate the State for costs incurred in processing the cession.

Upon making these findings the State of California and the United States will equally share the State's criminal legislative jurisdiction over lands affected by the cession.

## CALENDAR ITEM NO. C105 (CONT'D)

The United States presently has concurrent criminal legislative jurisdiction over the National Training Center and Fort Irwin, San Bernardino County and cooperates in law enforcement with the Sheriff of San Bernardino County under a 2005 Memorandum of Understanding between the District Attorney's Office, the Sheriff's Office, and Fort Irwin. This jurisdiction was first ceded by the California State Lands Commission on June 19, 1986; and renewed for another five years in 1991, 1996, 2002, and 2007. The prior cessions have expired. By letter dated February 13, 2012, the United States has requested that the State of California again cede concurrent criminal legislative jurisdiction over these facilities for another five years.

A noticed public hearing was held on March 20, 2012. Notice of the hearing was published as required by Section 126 and served upon the Clerk of the Board of Supervisors for San Bernardino County. Affidavits of the publication and service are found in the Commission's files. No comments in opposition to the cession were received. The lands comprising the National Training Center were acquired by purchase or condemnation or were withdrawn from the public domain and are all owned by the United States. The United States has agreed to compensate the Commission for costs incurred during processing of its request. Finally, the United States has indicated in its February 13, 2012 letter that it will accept the cession when made by the Commission.

The Commission's staff believes that the cession of concurrent criminal legislative jurisdiction is in the best interest of the State of California in connection with the exercise of criminal jurisdiction over these facilities.

### **OTHER PERTINENT INFORMATION**

The staff recommends that the Commission find that the subject cession of concurrent criminal jurisdiction does not have a potential for resulting in either a direct or a reasonable foreseeable indirect physical change in the environment, and is, therefore, not a project in accordance with the California Environmental Quality Act (CEQA).

Authority: Public Resources Code section 21065 and California Code of Regulations, Title 14, sections 15060, subdivision (c)(3), and 15378.

### **EXIHIBITS:**

- A. Land Description
- B. Location Map

## CALENDAR ITEM NO. C105 (CONT'D)

### **RECOMMENDED ACTION**

It is recommended that the Commission:

#### **CEQA FINDING:**

Find that the subject cession of concurrent criminal jurisdiction is not subject to the requirements of CEQA pursuant to California Code of Regulations, Title 14, section 15060, subdivision (c)(3), because the subject activity is not a project as defined by Public Resources Code section 21065 and California Code of Regulations, Title 14, section 15378.

### **AUTHORIZATION:**

1. Determine that the public hearing held on March 20, 2012, complied with Government Code section 126 and California Code of Regulations, Title 2 sections 2600 et seq. dealing with the cession of concurrent criminal jurisdiction and that the following requirements have been satisfied:
  - A. The United States requested in writing that the State of California cede concurrent criminal legislative jurisdiction over the lands described in Exhibit A attached and by this reference made a part hereof, said lands being within the State of California;
  - B. The lands are held by the United States for the erection of forts, magazines, arsenals, dockyards, and other needful buildings or other federal purpose within the purview of clause 17 of section 8 of Article 1 of the Constitution of the United States;
  - C. The lands were acquired by the United States by purchase or condemnation or were withdrawn from the public domain;
  - D. Jurisdiction ceded herein shall continue for the lesser of five years or so long as the United States owns the lands;
  - E. In ceding concurrent criminal legislative jurisdiction, the Legislature and the State reserve jurisdiction over the land, water, and use of water with full power of control and regulate the acquisition, use, control, and distribution of water with respect to the land affected by such cession;
  - F. In ceding concurrent criminal legislative jurisdiction, the Legislature and the State except and reserve to the State all deposits of minerals,

CALENDAR ITEM NO. C105 (CONT'D)

including oil and gas, in the land, and the right to prospect for, mine, and remove such deposits from the land;

G. The cession is pursuant to and in compliance with the laws of the United States; and

H. The United States has agreed to compensate the State for its cost incurred in processing the cession.

2. Determine that a cession of concurrent criminal legislative jurisdiction over the lands described in Exhibit A attached hereto, and by this reference made a part hereof, is in the best interest of the State of California because the United States will then have the authority to conduct investigations and prosecutions of criminal offenses at these facilities and will be able to assist local law enforcement.
3. Cede concurrent criminal legislative jurisdiction to the United States over the National Training Center and Fort Irwin, San Bernardino County for the lesser of five years, or so long as the United States owns the lands.
4. Authorize the Executive Officer to execute a Resolution of Cession of Concurrent Criminal Legislative Jurisdiction and its recording in the Official Records of San Bernardino County.
