# RESOLUTION OF CESSION OF CONCURRENT CRIMINAL LEGISLATIVE JURISDICTION

(CALIFORNIA GOVERNMENT CODE SECTION 126)

Pursuant to Government Code Section 126 the State Lands Commission is authorized on behalf of the State of California to cede concurrent criminal legislative jurisdiction to the United States. Jurisdiction ceded continues only so long as the land continues to belong to the United States and is held by it for the purpose for which jurisdiction is ceded in accordance and in compliance with each and all of the limitations, conditions, and reservations prescribed in Section 126 or for ten years, whichever period is less.

At its publicly held meeting on August 19, 2015, the State Lands Commission considered a request of the United States Department of the Interior, National Park Service for a cession of concurrent criminal legislative jurisdiction over lands within Redwood National Park, Del Norte and Humboldt Counties; Whiskeytown National Recreation Area, Shasta County; Lava Beds National Monument, Siskiyou and Modoc Counties; Pinnacles National Park, Monterey and San Benito Counties; Point Reyes National Seashore, Marin County; Devil's Postpile National Monument, Madera County; a portion of Golden Gate National Recreation Area, Marin County; Muir Woods National Monument, Marin County; and a portion of Golden Gate National Recreation Area, San Francisco County. After determining that the requirements of Government Code Section 126 had been met, the State Lands Commission ceded concurrent criminal legislative jurisdiction to the United States over those lands described in its Agenda Item C 75 a copy of which is attached hereto.

**CESSION OF CONCURRENT CRIMINAL JURISDICTION PURSUANT TO GOVERNMENT CODE SECTION 126 AT REDWOOD NATIONAL PARK, DEL NORTE AND HUMBOLDT COUNTIES; WHISKEYTOWN NATIONAL RECREATION AREA, SHASTA COUNTY; LAVA BEDS NATIONAL MONUMENT, SISKIYOU AND MODOC COUNTIES; PINNACLES NATIONAL PARK, MONTEREY AND SAN BENITO COUNTIES; DEVILS POSTPILE NATIONAL MONUMENT, MADERA COUNTY; PT. REYES NATIONAL SEASHORE AND MUIR WOODS NATIONAL MONUMENT, MARIN COUNTY; PORTION OF GOLDEN GATE NATIONAL RECREATION AREA, MARIN COUNTY; PORTION OF GOLDEN GATE NATIONAL RECREATION AREA, SAN FRANCISCO COUNTY**

Pursuant to Government Code section 126 the State Lands Commission is authorized, on behalf of the State of California, to cede to the United States concurrent criminal jurisdiction upon finding:

a. The United States has in writing requested such cession;

b. The federal lands are held or leased for the erection of forts, arsenals, and other needful buildings within the purview of Clause 17 of Section 8 of Article 1 of the United States Constitution or other public purpose;

c. The cession is in compliance with the laws of the United States;

d. A notice of the proposed cession has been given to the clerk for the board of supervisors of the county in which the federal lands are located at least 15 days before the proposed cession;

e. The proposed cession is in the best interests of the State of California; and

f. The United States has agreed to compensate the State for costs incurred in processing the cession request.

THE UNDERSIGNED, ACTING IN THIS BEHALF FOR THE STATE LANDS COMMISSION, HAS HEREBY CERTIFIED THAT THE ANNEXED IS A WHOLE, TRUE AND CORRECT COPY OF THE ORIGINAL RECORD COPY, CONSISTING OF 31 PARTS, ON FILE IN THE OFFICE OF THE STATE LANDS COMMISSION, THAT SAID COPY HAS BEEN COMPARED BY THE UNDERSIGNED WITH THE ORIGINAL, AND IS A CORRECT TRANSCRIPT THEREFROM.

IN WITNESS WHEREOF, THE UNDERSIGNED HAS EXECUTED THIS CERTIFICATE AND AFFIXED THE SEAL OF THE STATE LANDS COMMISSION THIS 25 DAY OF Aug A.D.20 15.

J Frey

The cession shall continue only so long as the lands are owned or leased by the United States and used for the purposes for which jurisdiction is ceded or for 10 years, whichever period is less. In ceding concurrent criminal jurisdiction, the Legislature and the State reserve their full jurisdiction over the land, water, and use of water with full power to control and regulate the acquisition, use, control, and distribution of water with respect to the land affected by the cession.

Presently, the United States has concurrent criminal legislative jurisdiction over Redwood National Park in Del Norte and Humboldt Counties, Whiskeytown National Recreation Area in Shasta County, Lava Beds National Monument in Siskiyou and Modoc Counties, Pinnacles National Park in Monterey and San Benito Counties, Devils Postpile National Monument in Madera County, Pt. Reyes National Seashore and Muir Woods National Monument in Marin County, and portions of the Golden Gate National Recreation Area in Marin and San Francisco Counties. The cessions of jurisdiction over these areas were the subject of Commission action on October 29, 2010, and they are effective for five-year periods ending in November 2015 and December 2015.

Pursuant to the cessions of concurrent criminal jurisdiction, the United States and the State of California share the same degree of criminal legislative authority including the power to arrest and prosecute crimes within a national park facility mentioned in this agenda item. The cession of concurrent criminal jurisdiction does not affect civil jurisdiction within these national parks, which is held by the State.

By letter dated July 24, 2015, the United States acting through the National Park Service has requested that the State of California renew its cession of concurrent criminal legislative jurisdiction over all of these areas for 10 years. The National Park Service uses the subject federal lands for national park purposes and it believes that concurrent criminal jurisdiction is needed to allow the United States to conduct federal investigations and prosecutions of criminal offenses that may occur on its lands thereby assisting local law enforcement agencies. The National Park Service has had agreements in place with local law enforcement agencies over these areas for many years and a new cession of jurisdiction will allow the agreements to remain effective.

The National Park Service represents that the United States owns and the National Park Service administers all of the lands subject to its request except the tidelands which it leases from the State of California through the California State Lands Commission. The National Park Service also represents that it has the authority to request the cession and that it is in compliance with the laws of the United States in seeking the cession. The National Park Service has indicated its acceptance of the cession pursuant to 40 U.S.C. section 3112, such acceptance to be effective upon the Commission's making the requested cession.

The Commission staff believes that the cessions of concurrent criminal jurisdiction are in the best interests of the State of California in connection with the exercise of criminal jurisdiction over these national park lands.

**OTHER PERTINENT INFORMATION:**

The staff recommends that the Commission find that the subject cession of jurisdiction does not have a potential for resulting in either a direct or a reasonably foreseeable indirect physical change in the environment, and is, therefore, not a project in accordance with the California Environmental Quality Act (CEQA).

**RECOMMENDED ACTION:**

It is recommended that the Commission:

**CEQA FINDING:**

Find that the subject cession of jurisdiction is not subject to the requirements of CEQA pursuant to California Code of Regulations, Title 14, section 15060, subdivision (c)(3) because the subject activity is not a project as defined by Public Resources Code section 21065 and California Code of Regulations, Title 14, section 15378.

**AUTHORIZATION:**

1. Find that the following requirements of Government Code section 126 have been satisfied:
   a. The United States has requested in writing that the State of California cede concurrent criminal jurisdiction over the lands described in Exhibits "A" through "I" attached and by reference made a part hereof, said lands being within the State of California.
   b. The lands are owned or leased by the United States and held for the erection of forts, magazines, arsenals, dockyards, and other needful buildings within the purview of Clause 17 of Section 8 of Article 1 of the Constitution of the United States or other public purpose.
   c. The cession is pursuant to and in compliance with federal law and the United States has agreed to accept the cession subject to the conditions referenced in Government Code section 126.
   d. A notice of the proposed cession has been given to the clerk for the board of supervisors of each of the counties in which the federal lands are located at least 15 days before the proposed cession.
   e. The United States has agreed to compensate the State for its costs incurred in processing the requested cession.

2. Find that cession of concurrent criminal jurisdiction over the lands described in Exhibits "A" through "I" attached hereto and by reference made a part hereof is in the best interests of the State of California because the United States will then have the authority to conduct criminal investigations and make prosecutions of criminal offenses committed on these lands thereby assisting local law enforcement agencies.

3. Cede concurrent criminal jurisdiction to the United States over the national park lands listed below for 10 years or so long as the United States owns or leases them, whichever period is less, and uses them for national park purposes:

   a. Redwood National Park in Del Norte and Humboldt Counties;
   b. Whiskeytown National Recreation Area in Shasta County;
   c. Lava Beds National Monument in Siskiyou and Modoc Counties;
   d. Pinnacles National Park in Monterey and San Benito Counties;
   e. Pt. Reyes National Seashore, Marin County;
   f. Devils Postpile National Monument in Madera County;
   g. Portions of the Golden Gate National Recreation Area including leased state-owned tide and submerged lands in the Pacific Ocean in Marin County;
   h. Muir Woods National Monument, Marin County; and,
   i. Portion of the Golden Gate National Recreation Area in San Francisco comprising leased state-owned tide and submerged lands in the Pacific Ocean;
   j. all as described in Exhibits "A" through " I" and shown on Exhibits "A-1" through "I-1" hereto.

4. Authorize the Executive Officer to issue a Resolution of Cession of Concurrent Criminal Jurisdiction for each national park area and have it recorded in the official records for the county in which it is located.
