**CONSIDER CEDING CONCURRENT CRIMINAL LEGISLATIVE JURISDICTION TO
THE UNITED STATES OVER UNITED STATES PENITENTIARY, ATWATER;
METROPOLITAN DETENTION CENTER, LOS ANGELES;
FEDERAL CORRECTIONAL INSTITUTION, MENDOTA; CORRECTIONAL
INSTITUTION, TAFT; AND FEDERAL PRISON CAMP, BORON**

Pursuant to Government Code Section 126, the State Lands Commission is authorized on behalf of the State of California to cede concurrent criminal jurisdiction to the United States for so long as the United States owns the lands or ten years, whichever is less upon finding that:

- a. The United States has requested in writing the state to cede concurrent criminal jurisdiction within the identified lands;
- b. The land is held for the erection of forts, magazines, arsenals, dockyards and other needful buildings, or other public purpose within the purview of Clause 17 of Section 8 of Article 1 of the United States Constitution, or for any other federal purpose;
- c. The cession is made pursuant to and in compliance with the laws of the United States;
- d. A notice of the proposed cession has been given to the clerk for the board of supervisors of the county in which the federal lands are located;
- e. The proposed cession is in the best interests of the State of California;
- f. The United States has agreed to compensate the State for costs incurred in processing the cession; and
- g. The State reserves jurisdiction over the land for purposes of water acquisition and management.

CALENDAR ITEM NO. **C60** (CONT'D)

Presently, the United States has concurrent criminal jurisdiction over lands comprising the Federal Correctional Institution, Mendota, Fresno County; the Correctional Institution, Taft, Kern County; the Metropolitan Detention Center, Los Angeles, Los Angeles County; the United States Penitentiary, Atwater, Merced County; and the Federal Prison Camp, Boron, San Bernardino County. The cessions over these areas were the subject of Commission actions in 2011 and are effective for five year periods ending in September 2016.

Pursuant to the cession of concurrent criminal jurisdiction, the United States and the State of California share the same degree of criminal legislative authority including the power to arrest and prosecute crimes within the federal properties mentioned in this calendar item. The cession of concurrent criminal jurisdiction does not affect civil jurisdiction within these federal properties and is held by the State.

By letter dated February 25, 2016, the United States has requested that the State of California cede concurrent criminal legislative jurisdiction over all of these facilities for another ten years. The United States believes the cessions are in the best interests of both governments stating, "As you know, concurrent criminal jurisdiction allows the United States to conduct federal investigations and prosecutions of certain criminal offenses that may occur on the lands comprising each of the above sites. We believe it is mutually desirable, and in the interest of sound administration, that the United States continue to have concurrent criminal jurisdiction with the State of California over these sites." City and County law enforcement agencies with jurisdiction over these facilities have sent the Commission letters supporting the cessions.

OTHER PERTINENT INFORMATION:

1. The cession of concurrent criminal jurisdiction to the United States over the lands described in Exhibits A through E is consistent with Strategy 3.2 of the Commission's Strategic Plan to commit to early and meaningful coordination and collaboration with local, state and federal agencies, California native American Tribes, and local and regional communities and all individuals disproportionately impacted by environmental pollution.
2. Authorization to cede concurrent criminal jurisdiction to the United States is not a project as defined by the California Environmental Quality Act (CEQA) because it is an administrative action that will not result in direct or indirect physical changes in the environment.

Authority: Public Resources Code section 21065 and California Code of Regulations, Title 14, section 15378, subdivision (b)(5).

CALENDAR ITEM NO. **C60** (CONT'D)

- A. Land Description for United States Penitentiary, Atwater, Merced County
- B. Land Description for Federal Prison Camp, Boron, San Bernardino County
- C. Land Description for Metropolitan Detention Center, Los Angeles, Los Angeles County
- D. Land Description for Federal Correctional Institution, Mendota, Fresno County
- E. Land Description for Correctional Institution, Taft, Kern County

RECOMMENDED ACTION:

It is recommended that the Commission:

1. Find that the following requirements have been satisfied:
 - a. The United States has, by letter dated February 25, 2016, requested in writing that the State of California cede concurrent criminal jurisdiction in accordance with California Government Code section 126 over lands comprising the Federal Correctional Institution, Mendota, Fresno County; the Correctional Institution, Taft, Kern County; the Metropolitan Detention Center, Los Angeles, Los Angeles County; the United States Penitentiary, Atwater, Merced County; and the Federal Prison Camp, Boron, San Bernardino County as more particularly described in Exhibits "A" through "E" attached and by reference made a part hereof, said lands being within the State of California;
 - b. The lands are held by the United States for the erection of forts, magazines, arsenals, dockyards and other needful buildings or other public purpose within the purview of Clause 17 of Section 8 of Article 1 of the Constitution of the United States, or for any other federal purpose in that they are used by the United States Bureau of Prisons for the operation of federal prisons;
 - c. The lands were acquired by the United States by purchase or condemnation or were withdrawn from the public domain;
 - d. Jurisdiction ceded herein shall continue for the lesser of ten years or so long as the United States owns the lands;
 - e. The cession is pursuant to and in compliance with the laws of the United States and the United States has agreed to accept the cession subject to the conditions referenced in Government Code Section 126;

CALENDAR ITEM NO. **C60** (CONT'D)

- f. The United States has agreed to compensate the State for its costs incurred in processing the request for the cession;
 - g. A notice of the proposed cession was sent to the clerk for the board of supervisors of the counties in which the federal lands are located at least fifteen days prior to this Commission meeting; and
 - h. In ceding concurrent criminal jurisdiction, the Legislature and the State reserve jurisdiction over the land, water and use of water with full power to control and regulate the acquisition, use, control and distribution of water with respect to the land affected by such cession.
- 2. Find that a cession of concurrent criminal jurisdiction over the lands described in Exhibits "A" through "E" attached hereto and by reference made a part hereof is in the best interests of the State of California because the United States will continue to have the authority to conduct federal investigations and prosecutions of criminal offenses at these facilities and thereby assist local law enforcement with their duties.
- 3. Cede concurrent criminal jurisdiction to the United States over the Federal Correctional Institution, Mendota, Fresno County; the Correctional Institution, Taft, Kern County; the Metropolitan Detention Center, Los Angeles, Los Angeles County; the United States Penitentiary, Atwater, Merced County, and the Federal Prison Camp, Boron, San Bernardino County for the lesser of ten years or so long as the United States owns the lands; said cessions to be effective upon receipt by the Commission of a letter of acceptance of the cessions from the United States as required by 40 U.S.C. 3112 and recordation of the Certificates of Cession of Concurrent Criminal Jurisdiction in the official records of the counties where the affected lands are located.
- 4. Authorize the Commission's Executive Officer or her designee to issue a Certificate of Cession of Concurrent Criminal Jurisdiction for each of the five properties and have it recorded in the official records for Fresno, Kern, Los Angeles, Merced and San Bernardino Counties upon receipt of the required letter of acceptance described in number 3 above.
