RE: State Lands Commission Meeting August 21, 2025 Consent Calendar Item #5 - City of Fort Bragg (Applicant)

Position: Requesting agenda item #5 be severed from Consent Calendar and heard as an informational item.

A pilot project for offshore desalination (desal) is an issue of statewide concern for California's coastal counties.

Therefore, I'm requesting that the Fort Bragg desalination pilot project be severed from the Consent Calendar and that a joint informational presentation be made by both Fort Bragg and the manufacturer, Oneka.
