Subject: Oppose reopening all drilling. Emergency meeting March 16 5pm
Date: Monday, March 16, 2026 4:43:21 PM

Attention: This email originated from outside of SLC and should be treated with extra caution.

Commissioners,

I strongly oppose reopening any drilling off our coasts. It is detrimental to our fisheries and vast tourism economies and is devastating for our climate. It benefits a TINY minority and destroys much for all the rest of us. I support the Commission in exercising its full authority.

Thank you.
Jean Severinghaus
